We care about your children

Sciences

**Nursery (Ages 2-4): Discovering the World**

- <u>Observation and Exploration</u>: discovering nature, animals, plants, and seasons.

- <u>Sensory Experiences</u>: touching, observing, and smelling to understand materials and simple phenomena (water, air, light).

- <u>Hands-on Activities</u>: gardening, raising small creatures (snails, butterflies), simple experiments with water and colors.

Reception and Primary (Ages 5-11): Introduction to Scientific Concepts

- <u>Life and Earth Sciences</u>: the human body, the food chain, ecosystems, the water cycle.

- <u>Physics and Chemistry</u>: simple experiments on matter, electricity, magnetism, and basic chemical reactions.

- <u>Technology and Engineering</u>: introduction to simple machines (levers, pulleys), discovery of energy sources (solar, wind).

- <u>Earth Sciences</u>: climate, plate tectonics, astronomy.

What's New for 2025 - 2026 ?

Creation of Science, Technologies, and Robotics courses in the School Open to All Levels

Coding and Robotic In Trillium

Pre-primary (Ages 3-6): Playful Introduction

- <u>Unplugged Activities</u>: logic games, puzzles, and image sequences to learn the basics of algorithms.

- <u>Simple Educational Robots</u>: Bee-Bot, Cubetto, Code & Go Mouse, allowing programming through buttons or cards.

- <u>Fun Applications</u>: ScratchJr, Lightbot, Kodable.

Primary (Ages 6-11): First Steps in Programming

- <u>Visual Coding</u>: Scratch, Blockly, Code.org to learn how to create animations and games.

- <u>Programmable Robots</u>: Thymio, Blue-Bot, LEGO WeDo, helping to understand the basics of robotics and sensors.

- <u>Creative Projects</u>: interactive stories, educational games, programming challenges.

Creation of Applied Robotics and Science Workshops during the October, February, and April Holidays

Tips : The **tax credit** for childcare expenses for young children covers 50% of **eligible childcare** costs for **children aged 3 to 6 years,** up to a maximum of €3,500 per child, resulting in a maximum tax credit of €1,750.
